The Faculty of Economics and Business (FEB)
Exchange Program Scholarship
University of Brawijaya – Indonesia

Overview

University of Brawijaya (UB) became a public university in 1963. Today, UB is one of the leading universities in Indonesia with more than 29,000 students in various degrees ranging from the Bachelor’s Degree Program, Master’s Degree Program, Doctoral Degree Program, and Medical Specialist Program in 12 faculties.

UB campus is situated in Malang City, East Java, in a strategic location you can easily reach by public transportations. Besides, you can find UB as a very fresh campus that provides an atmosphere conducive to study.

Faculty of Economics and Business (FEB UB) is one of the faculties in UB, and it is also known as one of the most reputable Faculties of Economics in Indonesia. It is proven by an “A” accreditation from the National Accreditation Board for higher education in Indonesia for all departments (Accounting, Management, and Economics of Development). In addition, FEB UB is a member of AACSB International (the Association to Advance Collegiate School of Business) and ABEST21 (The Alliance on Business Education and Scholarship for Tomorrow, a 21st century organization). These facts indicate that FEB UB has been acknowledged as a remarkable faculty both in national and international level. These high achievements always motivate FEB UB to continuously improve its quality in educational field.

FEB UB Exchange Program Scholarship is an initiative of the FEB UB program offered to international students who are interested to spend one to four months in one of our departments in FEB UB: (1) Accounting (2) Management (3) Economics of Development (Economics). This scholarship will provide educational, research and professional development opportunities to support growth in the region and to build enduring links at the individual, institutional and country levels. This program is also designed for international student to gain experience of living and studying in one of Indonesian campus.
The Objective of Exchange Program

1. To enrich the students’ knowledge of Indonesian Accounting/ Management/ Economics
2. To broaden the view of students in a cultural change
3. To strengthen the academic partnership between the home university and the FEB UB
